

TECHNOLOGY OFFICERS PULSE SURVEY

Korn Ferry's Global Technology Officers Practice surveyed 194 Technology Officers on a variety of topics to understand their perspective on the role and the major trends impacting the technology function.

No successor in sight.

71%

of Technology Officers do not feel there is an internal ready-now successor for their role, and

41%

do not feel they have a comprehensive succession plan.

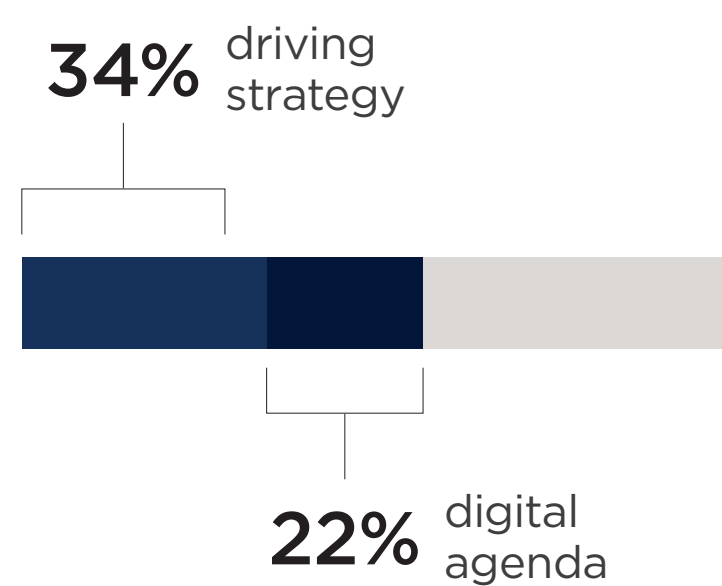

Top strategic priority.

Digital transformation

41% of Technology Officers reported digital transformation.

Where Technology Officers spend their time:

Most valuable career experience and next move.

Transformation

46% of Technology Officers said working at a company going through a transformation was their most valuable career experience.

51%

of Technology Officers said they want to be a CEO during their career,

but only **12%** said this is the role they want next.

About Korn Ferry

Korn Ferry is a global organizational consulting firm. We help clients synchronize strategy and talent to drive superior performance. We work with organizations to design their structures, roles, and responsibilities. We help them hire the right people to bring their strategy to life. And we advise them on how to reward, develop, and motivate their people.
